These are the
Quareter-finalists

Let the matches
begin

2

1

4

3

6

5

8

7

against
the
smart-plan
winner
Mazin

we have
the
5 Rocks
in row
winner
Ammar

I liked
your
moves
before

hello

I didn't
paid
attention
to it at
first.

In his first previous
match he broke the rules
without anyone noticing

yes

that's
right

You're
called
Mazin...
right?

I SAW
IT

YOU
CHEATER

IGNORING
YOUR
OPPONENT
RIGHT IS
AGAINST
THE RULES

EVEN IF YOU
WON THREE
ROUNDS YOU
IGNORED THE
OTHER ONES!!

and if you're
wondering
why the
others
played
five?

there's no rule for that.
It's the opposite, winning three
rounds is enough

EH?

all of them requested that and
their opponents agreed

how about it?
it's about time

how come I
didn't notice
that? I just
embarrassed
myself

that's right,
even hamza
was the one who
demanded the last
two rounds

Ammar just
embarrassed himself

That was a
fake accuse

nothing
embarrasses me
more than your
comment

SHUT
UP

you get me wrong
I asked you what
you're going to play

of three 'moves'

What to
play? but
isn't the
game we're
playin-

next time I'll...

you ammar
what you'll
play?

HUH
???

What's this?

what did
you say?

and to prove
that I'll play
scissors in the
first & second
rounds

you heard me
Ammer..
this is my style..
to play fairly &
honestly from
the start

since I said what I will play you
have to tell me your first and
second move

but the game wouldn't
be fun

This guy...

It'll be fun believe it!!

but everyone who
used "that" got a
bad end

I think

can it be?
he's using
"that" style!!

it don't matter
the Trap
main plays is
so obvious
and Ammer
knows that

Momm...

it's good I got place beside
the one who beat me, so I
can learn a thing from him

OK...

I'll
say

what's "that"
they talk about
anyway?

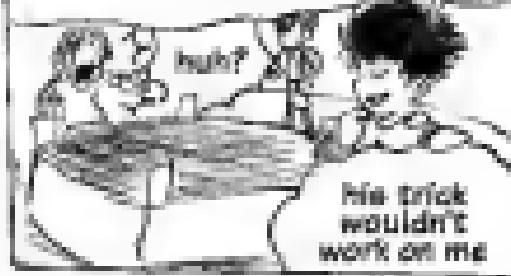

USING ME?!!

HOW
COULD
YOU?!

after my kindness in
showing you my cards?

then I'll play rock in the first and
second rounds

play
ROCK
in the
first
round

THEN WHAT
YOU WANT ME
TO DO?!

but you're
using my
kindness

but it was
your idea !!

I will
announce
the first round
now

well... well....
you two stop
the others
are waiting

I thought
he was trying
to trick me...
but it looks
like he is
really playing
scissors

those who "exploit" others kindness are the worst players who don't deserve to win

he says the opposite of what he do

If you didn't play paper in your first turn then you are "exploiting me"

REMEMBER

oh! That's right

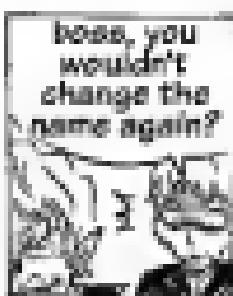

won't you start the round?

what are you waiting for?

SCISSORS PAPER ROCK

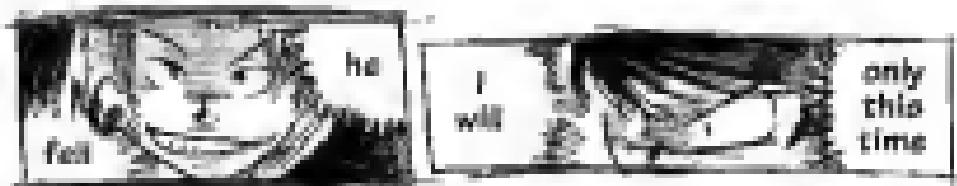

boss, you wouldn't change the name again?

"EVIL"

that mazin... he is...

I'LL NEVER DO
IT AGAIN

If I put this and the fact that he lied to his first opponent in my mind...

I know what he's thinking of...

he thinks I'll play rock after what I said

ROCK PAPER SCISSORS

not
really

yup

the
opposer?
you mean
mazin

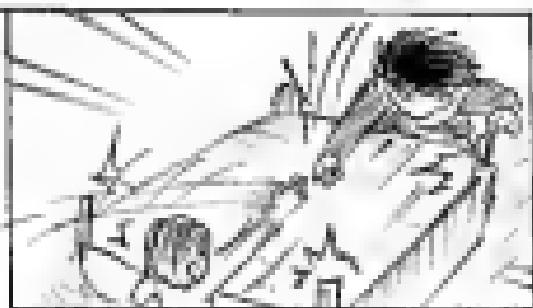

audience

the opposer
will play "paper"
for sure

and by his expression
he followed the bait

analysing his style
I think he forces
ommar to think
"that"

ah-
that's
you

let's try again, what are you going to play now?

I will play scissors

but why?

probably -

you are free to not believe me but in that case you're a skeptical

obvious lie

that's

I'm honest this time. my motto is "Play fairly and honestly as you know

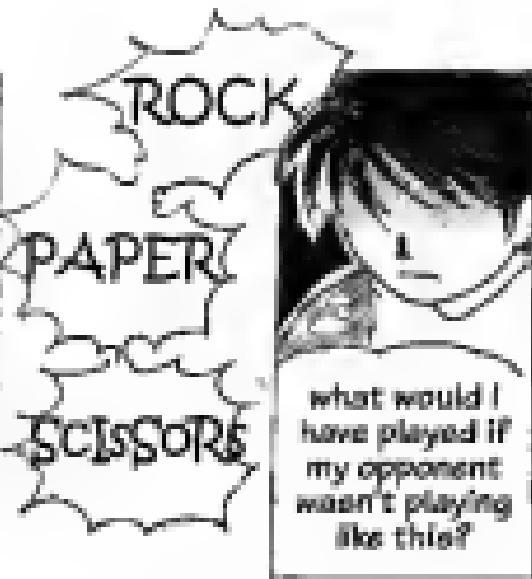

you want me to believe you after you just lied to me?

why again?

Ready...?

I DON'T CARE ANYMORE. I'LL PLAY AS IF WE AREN'T TALKING

you shoulda done that from the start

what would I have played if my opponent wasn't playing like this?

yeah I wouldn't believe him. I was going to play scissors

If it was me I would've played paper

excellent

actually Rock was THE right choice

he will never expect Rock

assuming mazin likes will eliminate "Scissors" from his choices, but he wouldn't play paper because he'll -

complete analysis! you might be right

assume we think he lied and we wouldn't play rock because he wouldn't play scissors

but I think that boy didn't --

when I'm not sure what to play, my hand does "Rock" automatically

I love it

think of any of that

**DO YOU THINK AN INNOCENT GUY
LIKE ME WHOSE MOTTO
"TO PLAY FAIRLY AND HONESTLY"**

**WILL RESORT TO THIS CHEAP
TRICK OF LYING WITHOUT A GOOD
REASON?!**

DO YOU THINK THAT?

what did
you say?

this don't
look good

... are these

tears ... ?

**I ASKED YOU
ANSWER ME!!**

huh?

what's
with
this
temper

to be honest... no... yes...
I mean you lied to me and why I
would believe your motto

why I'm
honestly
answering
him anyway?

since when this was
a drama show?

because
I need
to win

fine... I was
ready to be
treated like
this since I
joined the
contest

BECAUSE I NEED IT

I won't lose!!
I will win the Prize

I NEED 2000 DINAR TO COVER THE EXPENSES OF MY SICK MOTHER RECOVERY THAT'S WHY I'LL WIN

IF YOU STILL WANT TO PLAY, SAY YOUR MOVE

and I was kidding when I said drama just now

he's in for his mother...
... and I'm ...
